

```
entry:  
br label %return
```

A control flow graph (CFG) for the 'foo' function. It consists of two rectangular boxes. The top box contains the assembly code 'entry:' followed by 'br label %return'. A vertical arrow points from the bottom center of this box to the top center of a second box below it. The second box contains the assembly code 'return:' followed by 'ret i32 0'.

```
return:  
ret i32 0
```

CFG for 'foo' function
